Strategic Legal Consultants

WHO WE ARE

AlterLegal is a contemporary, boutique law firm founded in the heart of the Dominican Republic in 2019. With a rich blend of local insights and global perspectives, this cutting-edge legal entity prides itself on offering a comprehensive range of services in various areas of law including corporate law, real estate law, successions, foreign investments, and general business law.

OUR GOAL

Committed to delivering efficient, strategic, and client-focused services, AlterLegal sets itself apart by ensuring it understands the unique needs and business objectives of every client. It specializes in delivering not just legal advice, but practical business solutions that are specifically designed to align with each client's individual strategic goals.

OUR TEAM

The team at AlterLegal is a mix of experienced professionals who bring with them a wealth of knowledge, not just in terms of Dominican Republic law, but also an understanding of international legal landscapes, making them ideally positioned to cater to clients both locally and from around the world.

At AlterLegal, clients find not just legal counsel, but also trusted business advisors. The firm's innovative and forward-thinking approach to law reflects the modern, dynamic nature of today's business world.
